EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Jennifer Stewart (Reg. No. 53,639) on May 9, 2006.

The application has been amended as follows:

Claims 20-23 are canceled.

Claim 25, line 9, delete "adaptor" and replace with "adapter"

2. The following is an examiner's statement of reasons for allowance:

With respect to claim 1, the prior art of record fail to teach or fairly suggest a mobile radio communication device comprising a memory operatively connected to a transceiver for storing pre-recorded audio for subsequent playback through a speaker operatively connected to the transceiver and a screening memory in communication with the transceiver for storing a list of preferred callers, wherein when an incoming call is received during playback of the pre-recorded audio, playback stops if the incoming call is from a caller on the list of preferred callers.

With respect to claim 11, the prior art of record fail to teach or fairly suggest a cellular telephone having an entertainment module for playing pre-recorded audio and video signals that include a screening memory in communication with a microprocessor for storing a list of preferred callers, wherein the microprocessor stops playback of

stored audio and video signals responsive to an incoming call from a preferred caller such that a user may receive the incoming call free from playback of the audio and video signals.

With respect to claim 25, please see Applicants' remarks in the amendment filed on March 01, 2006.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Charles N. Appiah whose telephone number is 571 272-7904. The examiner can normally be reached on M-F 7:30AM-5:00PM.
